RANKING THE BOOKS I HAVE READ OR HEARD

Use sticky notes with title and author to rank the books in order of your favourites. Every time you read a new book, fill in an Evaluation Form and use it to help you compare that book with the others you have read. Remember that in the end, you must choose only ONE book as the best you have read. The sticky notes allow you to change the rankings as you go. Make sure they do not fall off the page.
